

Every day when you open your shutters, roll up your blinds or pull back your curtains you'll smile.

When your friends admire your decorating style, you'll smile.

Knowing your family feels proud of their home, will make you smile too. That's what Avalon Interiors and you, can achieve together.

Perhaps the biggest smile of all, will be when you discover good design is easily affordable.

Adding style which you will enjoy every day is so easy with the help of Avalon Interiors.

Style to enrich your home and your life, it's all waiting for you at Avalon Interiors.

Christine McLeod and her talented team are ready to help with a simple decorator item to give one room a lift or, complete project management of an entire home.

For help with bringing your own unique style to reality, Avalon Interiors has proven since 1977, it is the place to go for quality and value with genuine style.

Quality products & outstanding service with value

Breathtaking style can be functional too

Timeless classics & ultra modern can mix

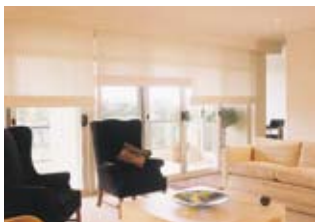

Your home or office can be transformed into a place you'll love to be.

Selling your home? Christine and her team can advise and style the look which will attract buyers.

You'll be delighted with the results, whether you want to decorate a beach house, a large family functional home or, if a formal look is your preference.

The correct choice of window coverings can have a beneficial impact on the environment as well as reducing your costs.

Curtains, blinds or shutters? the right choice can reduce your cooling and heating costs.

A huge choice of the right fabrics

Whether you want a totally new style makeover of your existing home, an exciting concept for a new home or simply advice on blinds and curtains, Avalon Interiors will be delighted to help.

Professional consultation at a fixed rate. Initial consultation is one hour, with no ongoing commitment necessary.

Keeping it simple, efficient and affordable, Avalon Interiors has been styling homes since 1977.
